

New Softball Leagues Formed

Managers and captains of 12 softball teams interested in Class B softball met at Watteria Recreation building last week to organize a playing league.

They wound up with two playing leagues.

Through the Torrance Recreation department, two six-team leagues were formed. A drawing later will determine which teams will play in each league.

All games will be played as doubleheaders at the newly lighted Watteria diamond, according to Elmer "Red" Moon, the city's director of athletics.

Game times on each Tuesday, Wednesday, and Thursday will be 7 p. m. and 8:30 p. m.

The teams will play a triple round robin schedule with a Shuinnessy play-off at the end of the league play, Moon said. Champions of the play-off from each league will meet for the Class B title in a best two-out-of-three series.

Free will donations at the play-off will be used to defray expenses of the league, Moon said yesterday.

Teams and captains signed up for the league include Balleys, Ray Bailey; Torrance Hi-Y, Rip Carlisle; Watteria Wildcats, Rudy Moreno; Pacific Electric, Art Sepulveda; Torrance De Molay, Vinton Waldorf; Palos Verdes Firemen, L. Cookus; Dicalite, Clark Smart; Edison Company, Jack Lewellyn; Torrance Moose Club, Paul Smith; Mayfair Creamery, John McKee; Seaside Rancho, Quin Johnson; and Watteria B. M. A., Pete Norman.

The group will meet again next Wednesday evening at the Watteria Recreation building to draw up final plans for the season.

El Camino Tennis Squad Adds to Losing Streak

El Camino College's tennis team took two beatings last week. Both Santa Monica and Bakersfield shutout the Warriors 2 to 0 on the opponents' courts. Last Saturday in 110 degree heat at Bakersfield, the Warrior netmen went down to defeat in straight sets. Ralph Sogo of Lawhome and Bill Gardiner of Redondo second doubles, turned in the best showing of the two matches with a 7-5, 9-7 loss.

Police Nine Scores Win

Torrance Police won a well-pitched, 5 hit ball game last Sunday by a score of 5 to 3 from the Angelus Lumber Team.

Harry Ticoodosis pitched a tight game, but loose fielding behind him kept him in hot water much of the time.

Salmon, first man up for the Police nine, walked. He was sacrificed to second by Bennett, and successive singles by Caldwell, Swayne Johnson, and Clair Johnson produced three runs. The visitors never headed this lead.

Council Approves Fall Semi-Pro Tournament

The City Council Tuesday night approved a recommendation by Frank H. Carpenter, superintendent of recreation, that the municipal diamond be reserved from August 4 through September 4 for the annual semi-pro baseball tournament.

The annual tournament which attracts some of the best semi-pro teams in this area is sponsored by Bert S. Crossland Post of the American Legion.

Carpenter also recommended, and the council approved, that a March 1 deadline be set for such requests in the future.

Alondra Golf Course Now on Capacity Basis

The new Alondra Golf course is now operating on a capacity basis and a foursome is able to tee off each 6 minutes, according to an announcement made by one of the organizers this week.

Gomer "Potlikker" Sims, who is quite a golfer himself, says the greens and fairways are in such good condition now that the 10-minute wait between tees could be reduced.

Sims also reports that the 18-hole Pitch and Putt course, said to be one of the finest in the world, has been seeded and should be ready for use in about 60 days.

Prophetic service has been installed in the new clubhouse on Hawthorne boulevard, and reservations may be made by calling MEHo 4-1221.

The great increase in population in the 19th century was mainly because of a decrease in the death rate, according to the Encyclopaedia Britannica.

First Round In Industrial League Scheduled

Schedules for the first round of play in the Industrial Softball League.

Teams appearing second will be the home team.

Monday, May 1—General Petroleum vs. Harvey Machine; Steelworkers vs. Lovelady Hardware.

Tuesday, May 2—American Rockwool vs. UPWA; Potters Local vs. National Supply.

Thursday, May 4—Harbor Hospital vs. National Electric Products; Harvey Machine vs. Steelworkers.

Monday, May 8—American Rockwool vs. General Petroleum; Potters Local vs. Lovelady Hardware.

Tuesday, May 9—Harbor Hospital vs. UPWA; National Electric Products vs. National Supply.

Thursday, May 11—Potters Local vs. Steelworkers; American Rockwool vs. Harvey Machine.

Friday, May 12—National Electric Products vs. Lovelady Hardware; Harbor Hospital vs. General Petroleum.

Monday, May 15—Harvey Machine vs. Potters Local; National Supply vs. UPWA.

Tuesday, May 16—National Electric Products vs. Steelworkers; Harbor Hospital vs. American Rockwool.

Thursday, May 18—National Supply vs. General Petroleum; UPWA vs. Lovelady Hardware.

Friday, May 19—National Electric Products vs. Potters Local; Harbor Hospital vs. Harvey Machine.

Monday, May 22—National Supply vs. American Rockwool; UPWA vs. Steelworkers.

Tuesday, May 23—Lovelady Hardware vs. General Petroleum; Harvey Machine vs. National Electric Products.

Thursday, May 25—National Supply vs. Harbor Hospital; UPWA vs. Potters Local.

Friday, May 26—Lovelady Hardware vs. American Rockwool; General Petroleum vs. Steelworkers.

Monday, May 29—UPWA vs. National Electric Products; National Supply vs. Harvey Machine.

Thursday, June 1—General Petroleum vs. Potters Local; Lovelady Hardware vs. Harbor Hospital.

Friday, June 2—Harvey Machine vs. UPWA; Steelworkers vs. American Rockwool.

Monday, June 5—Lovelady Hardware vs. National Supply; General Petroleum vs. National Electric Products.

Tuesday, June 6—Steelworkers vs. Harbor Hospital; American Rockwool vs. Potters Local.

Thursday, June 8—Lovelady Hardware vs. Harvey Machine; General Petroleum vs. UPWA.

Friday, June 9—Steelworkers vs. National Supply; American Rockwool vs. National Electric Products.

Monday, June 12—Potters Local vs. Harbor Hospital.

Industrial League Set For Season's Opening

The 1950 softball season will officially begin at 7 p. m. Monday evening when the Harvey Machine Company squad hosts the General Petroleum team in the first game of the Industrial League play.

Coming on at 8:15 to help launch the new season will be the Steelworkers Local 1414 and the team from Lovelady Hardware.

From then on, it will be a scramble for the Herald Trophy, which goes permanently to the first team to win it three times.

National Supply's "Spud" Murphy has a tight grip on it right now, having the only team which has a notch on the prize. He will be out to put another on it this year, he assured reporters this week.

First round schedules have been drawn up by the league members and will run through Monday, June 12. New schedules will follow.

American Rockwool will meet UPWA 360 in Tuesday night's opener, and Potters Local 218 will meet last year's champs, National Supply, in the second game. There will be no game Wednesday.

Other players traveling with the team will be pitcher Carl Randall, Carl Brady, Bobby Stewart, Dick Brookhaus, Don Cook and Leo Morris.

Bobby Stroud will go as the team mascot, Spud said yesterday.

Warrior Golfers Take Pasadena in Practice

Paced by Bob Blanchard's par 72, El Camino's defending Metropolitan Conference golf champions handed Pasadena a 11-9-6 trouncing in a practice meet Friday at the Inglewood Country Club.

After hitting the middle 80's in several encounters this season, the Warriors will be held on Tuesday at 7 p. m. in the gym of the Torrance High school.

Under the sponsorship of the Torrance School of Adult Education, Coach Eddie Cole will call the session a "watch or do" event. Those who want to just look in are invited to do so; those who want to actually swing a club and improve their technique will have the opportunity to do so.

Sparking the event will be a showing of the sound motion picture "Highlights of Golf" produced by Spalding Sporting Goods Company. The film will serve as an orientation for beginners and a fast review and brush-up for the more advanced.

Also on hand will be a top-notch golfer to give individual help and guidance in making no golfers golfers, and amateur golfers a bit professional. Clubs will be available to those who participate in the actual swinging, and literature will be on hand for those who wish to open up new horizons in one of America's great sports.

Coach Cole plans to make the evening a constructive event. He says the whole clinic is designed to help you get started in golf, to help you eliminate hooks and slices, to give you tips on improving putting. He places emphasis on showing you how to make a low score, and how to look and act like a professional golfer.

Tartar Netmen Ace Narbonne

Tartar tennis stock took a sudden upswing in value last week when Coach Wallace's team took Narbonne to camp.

Playing their best games of the season, the rapidly improving team met its southern neighbors on the Torrance court and proceeded to act like very spoiled hosts—they didn't show the visitors a good time at all.

Gary Groves defeated Hatfield 6-2, 6-1 in the first singles match.

C. Mumford defeated Eloffson 6-2, 8-4 in second singles. Jim Smith defeated Suzuki 3-6, 6-2, 6-1 in third singles. Ronny Selover defeated Kunnath 6-2, 7-5 in fourth singles and Dale Turner defeated Watkins 6-0, 6-0 in fifth singles for a clean sweep over the Narbonne singles team.

In the first doubles match, Tom Pryor and Bill Bourne took the visitors' Moore and Hawley 6-4, 4-6, 6-4.

The day before, the Tartars had defeated Lynnwood 4-2 in a non-league match at Lynnwood. Groves took first singles. Hal Landman took fifth singles, and Pryor and Bourne won their first doubles match.

A very fine oil for lubricating watches is obtained from the head of the common porpoise, according to the Encyclopaedia Britannica.
